

CIR/01/18-19

Date: 5th June, 2018

Dear Parents,

Greetings to you!

We begin yet another academic cycle with the commencement of the new academic year today. While thanking you for all the support and co-operation extended to us last year; we look forward to your support and co-operation in the year to come as well.

We have 1 school each in Jammu, Jaipur, Bhopal, Pune, Surat, Mangalore, 3 in Kolkata, 2 in Bangalore and 4 in Hyderabad. Our Schools have also made their academic impact by securing the best in academic excellence countrywide and internationally. This has reflected in the high demand for our schools as of this year, which is indeed encouraging and definitely deserves a word of gratitude and appreciation to each of you.

The Management joins me as I congratulate our staff for their untiring efforts, our students for their hard work and focus and of course you dear parent for the trust that you have placed in us. We pray the best for these children and hope to see them gain higher standards of learning in their lives under the tutelage and guidance of our teachers and school. With the global support that we get from PEARSON in the education content that we provide for our children; I am sure and confident that we will scale greater heights in education. As you are aware PEARSON is the world's leading learning company. PEARSON provides support through educational books, software and other materials; is the proud owner of the Financial Times newspaper.

As we course through the year I shall ensure that I keep you abreast of all that is happening in school through my notes and circulars sent to you and through our school activities. While wishing the children all the best for the year ahead, I welcome you to **Tattva School** family as well and look forward to working with each of you! Let us work together to make things work best for our children!

Thank you,

Best regards,

Tattva School

Principal
