

CIR/11/19-20

Date: 9th July, 2019

Dear Parents,

Greetings to you!

It is time for us to focus on evaluating all that the children have comprehended and learnt in these months.

Assessments have been an integral part of our learning system. Assessing the child frequently as and when a new concept is taught helps us in evaluating the progress of the child. We would now like to go ahead with the Periodic test I for the year 2019-20. The Time Table, the Portion List and the schedule for the assessments grade wise/subject wise is attached herewith.

Assessments will begin from the Monday, 22nd of July, 2019. The school functioning hours will remain the same and post their assessments children will be involved in regular classes. Kindly note no absenteeism or special request for re-test will be entertained.
