Dear Parents,  
Greetings from Tattva!

We are pleased to inform you that **Abacus/Vedic Math, Taekwondo** are being introduced for the students of Grades I to VIII in this academic session. These enhancement programs are a part of co-scholastic activities which cater to the overall development of our children. Each student has to choose **only one club activity from the list given below by clicking the google form link given below**. The allotment of the club will be on a first come first serve basis depending upon the availability of seats. Parents are therefore requested to choose the club on priority and submit the google form.

Please note: If the seat is not available in the first option, the child will be allotted the second option. Kindly motivate your ward to enroll for the club of his / her own choice.

The two clubs have been included in the Time Table as the club period. The details of the club with a brief profile of the activities is given below for your reference. The student will be an active member of the club for the entire academic session. Kindly refrain from requesting for change of clubs during the academic session.

### **Unpaid Clubs/CCA**

In addition to the paid club activities, we also have unpaid clubs for all Grades such as Eco Club, Review of Lost Art, Heritage Club, Community Service, Literary Club etc., various Co-Curricular activities competitions will be conducted during the CCA period. The details for the same will be shared with the students in advance for preparations. Kindly note that these club activities and Co-Curricular Activity (CCA) sessions are aimed at giving equal and multiple opportunities to our young and talented student community in the effort to make them future ready citizens. Kindly share your choice of clubs after discussing with the students on or before 8th June positively. Students who are late to share their choice may have to join the club with slots available.

Thank you for your support in this new endeavor. Collectively, let us impact the lives of our children by providing holistic learning experiences to them
