Dear Parents,

Greetings to you! Tattva School is one of the many schools under the parasol of Ryan Education Schools and has in this academic year set on its path of providing quality education. The school offers classes from Pre-primary to grade 10. The school is a co-educational school.

Tattva School has an exclusively designed programme for the school and also brings in the classroom experience in each classroom. Classrooms are equipped with interactive devices and e-learning content for all grades. This content helps the teacher in making the classroom very engaging and interactive. The school also offers an array of sporting facilities apart from extracurricular and co-curricular facilities to children.

In its vision of building leaders for a better tomorrow, the school strongly believes in tapping young talent at an early stage and accordingly has under the array of leadership training programmes the formation of the school cabinet. The school cabinet would partner with the teachers and the school in the everyday functioning and decision making of the school thus grooming leaders for tomorrow.

We Tattva invites you to be a part of the **Investiture Ceremony** scheduled on Wednesday, 5th July 2023, to grace the occasion and inspire these young leaders of tomorrow.
