Dear Parent,

Greetings to you!

Parents are our partners in the learning journey of our students. At Tattva School, we work in close collaboration with our parents. In order to maintain transparency and to seek honest feedback so that we can cater to our student's needs better. We conducted our first parent survey at the beginning of July month and about **42 %** of you have responded to the survey! Thank you for taking out the time to complete the parent survey.
