Dear Parent,

Warm Greetings from Tattva!

Please note that as a part of our understanding of each child individually and knowing his/her interests/hobbies the class teacher will dedicate a week to each child as a part of the '**Know your Child**' programme. In accordance with this, it is also important that you as a parent involve yourself in all that the child will be a part of in the week of the activity. For the culmination of this week the class teacher will also invite the parent to come and speak to the class on a Friday and share all their impressions of their ward with the rest of the class. Children will also prepare a chart with all their likes and dislikes, their pictures, their family pictures and also other information that they would like to share with the class. This will enable the teacher and the child to build a personal bond apart from bonding between parents and school and amongst peer members.

Please feel free to get in touch with the respective coordinators for any academic or child related issues. Details are mentioned below.
